NOTE BY THE ADMINISTRATIVE DEPARTMENT.

The permanent nursing staff of the Headquarter Hospital, Bellary (70 beds) consists of three nurses. As it was not possible to arrange for night nursing with this staff, the Surgeon-General recommended in July last the employment of an additional nurse in the hospital, temporarily till 31st March 1931. According to the standard scale of one nurse for every 14 beds in hospitals which are not used for the training of nurses, the Bellary Headquarters Hospital will be eligible for five nurses against the three nurses actually employed. The Government have accordingly sanctioned the employment of a nurse on Rs. 75 per mensem plus the usual allowances, temporarily till 31st March 1931.

2. The Surgeon-General now recommends that the appointment may be made permanent with effect from 1st April 1931. This department consider that there is sufficient justification for the permanent retention of the post of temporary nurse.

A. D. CROMBIE—20-10-30.

NOTE BY THE FINANCE DEPARTMENT.

The note may be placed before the Finance Committee as a Part II Scheme for 1931-32.
